

## ENGLISH

### We are authors and illustrators.

I can maintain attention and participate actively in conversations.

I can read by blending sounds.

I can talk about books which I have read & listened to.

**Outcomes:** This term I will write for different purposes, for example making books, posters and comic strips. I will also choose what I would like to write about and will get lots of opportunities to share my writing with my friends.

## MATHS

### We are mathematicians.

I can identify one more or one less than a given number to 20.

I can read and write numerals to 20.

I can solve addition and subtraction problems.

**Outcomes:** I will explore maths through games and practical activities every day in the classroom and outdoor areas. I will solve calculations using concrete resources, such as counters and dienes, and write the corresponding calculations down.

## Plants and Me

## GEOGRAPHY - We are Explorers.

I can use aerial and plan perspectives to recognise landmarks.

I can use and construct basic symbols in a key.

**Outcomes:** I will draw a simple map of the school playground, using an aerial photo to help me. I will also create a simple map of London Zoo.

## HISTORY - We are Historians.

I will develop an awareness of the past, using common words related to the passing of time.

**Outcomes:** I will explore the changes in school life between now and when my parents and grandparents went to school.

## ART - We are Artists.

I can explore colour, line and texture.

I can learn about the work of different artists.

## DT - We are Designers

Join fabrics together using pins, staples or glue.

## MUSIC - We are Musicians.

I will learn songs and poems and use my voice expressively and creatively.

## SCIENCE

### We are scientists and environmentalists.

I can name the parts of a plants and explain its functions.

**Outcomes:** I will use different sources of information, including books and the internet, to learn about plants, as well as hands-on investigations.

## PE - We are Athletes

I will continue to learn team games & master basic movements including throwing & catching.

## PSHE - We are Citizens.

I will increasingly follow the school's 'Golden Rules' and be a great member of my class team.

## Computing - We are treasure hunters-

I will be introduced to the idea of algorithms and programming with EARLS hunting for treasure and problem solving.

As a Rights Respecting School we will be focusing on:

**Article 2:** All children have rights regardless of gender, culture, religion, if they have a disability, or by how much money they have.
